Islam, Peace and Love To All the Supporters over the years of R.V. Bey Publications and Moors Heritage and History School

We recently started Live Stream Classes. At the start we had a bit of a bumpy road and with Mercury being in retrograde it didn't help our experience of technical difficulties. It took us a minute to bring harmony to the situation and fine-tune our direction.

We are now proud to say, thanks to Brother Hakim Bey, and his diligent work and commitment, that we are ready to bring the first **3-week course** to the 'Live Stream Viewers' and to the flesh and blood participants. Tickets are obtained at: <http://howtolivestream.info/mhhs/>

This course is entitled "**Self Executing Constitutional Provisions**" — "*What Court Is and What Court is Not*" in *International Law*, involving an in-depth review of the 4th, 5th and 6th Amendment of the American Constitution. **The first class:** Wednesday, September 4th, 2013.

At the end of the course everyone (including viewers) will receive a 'Record of Completion', after taking a final 'comprehension test'. The test and any additional instructions will be provided to you on the web-site <http://www.rvbeypublications.com/>
